Aryam Australia Group 

Znergy

Aryam Australia Group 

# Company Profile

Znergy® is a global brand that represents excellence in quality for technologically advanced electrical products. Znergy® as a global brand is a proprietary of the Aryam Global Group.

The Aryam Global Group represents a global alliance with ISO Standard approved plants that employ more than 1500 permanent employees and has an annual group turnover of \$USD 2.2 Billion in electrical & solar sales.

Some of our major manufacturing includes:

- Znergy® electrical cable
- Aryam Energy® solar & renewable energy components
- Znergy Electric® switchgear components
- Znergy Electric® electrical switch & components

Znergy Electric® LED lighting products In Australia, we are part of the Aryam Australia Group representing Znergy Cable. Our manufacturing has cutting edge technology producing electrical cable from

Low Voltage to High Voltage, and any specialist cables in Mining, Fire, LSZH, Shipping, Instrumentation, Oil & Gas, Solar, undersea submersible and industrial cables.

Our Znergy® design for electrical components is driven by our belief in technology for people. It is engineered with innovation to provide quality and benefit for an industry driven economy.

In the renewable sector, Aryam Energy® is a brand leader in the field of solar power system and solar lighting solutions. which has undertaken over 50,000 successful projects in more than 56 countries all over the world. Since 2006, Aryam Energy has been producing innovative and cost-effective solar power products. which created unsurpassed levels of high-efficiency and reliability on 11 technology patents. Aryam Energy's main products include solar power system and

solar street light and related PV products such as PV modules rack system. PV controller and PV inverter. ISO, CE, ROHS, TUV and SGS certify all products. In partnership with a larger global affiliation, the group provides state of art manufacturing and design.

Znergy® as a global brand is represented in USA by the Aryam America Group. In India, we are Aryam Energy India Group, and in New Zealand we are Aryam New Zealand Group.
